

Cookie Policy

Please note this website uses Cookies to distinguish you from other users. Cookies are small files which are stored on your computer or digital device by the websites that you visit. They typically hold a small amount of data that may be specific to you or generic to the website. This data may be accessed by providers of digital products or services to help deliver the website and its features and/or services.

Some Cookies only exist for the duration of your session (until you close your browser) while others can remain on your computer or device for a set period or permanently until you clear out your Cookies. Swindon Parish Council will not knowingly process any information generated by Cookies. That stated, users of websites should be aware that information may be gathered by third parties who offer website hosting facilities such as Wordpress.

Such gathering of information is beyond the control of the Council and the Council shall not be deemed responsible for any action by third parties regarding gathering information from Cookies. You may delete or block cookies from your computer or digital device. If you are considering blocking Cookies then please be aware it may prevent or hinder you from using some websites and/or their features or services. All website browsers should provide you with the option to delete or block Cookies. To find instructions for your browser please refer to information provided under the browser 'Help' menu
