Subject: Request for support - Speed Indication Devices

Dear Swindon Parish Council,
I hope this message finds you well.
Bobbington Parish Council would be grateful if you could kindly consider the following requests for support in relation to Speed Indication Devices (SIDs):

1. Interim Loan of SID Equipment

As an interim measure, we would greatly appreciate the occasional loan of one of your SIDs. This would allow us to collect additional data to support our case for a permanent solution within the parish.

2. SID Sharing Arrangement

We would also like to propose a potential SID sharing arrangement, under which Bobbington Parish Council would contribute 50% towards one of your existing devices. In return, we would share operational use of the SID on an equal basis. Should this suggestion be favourably received by Swindon Parish Council, it will be formally put forward for approval at our next council meeting in January 2026.

We appreciate your consideration of these requests and would welcome the opportunity to discuss them further at your convenience.

Kind Regards
Kate Pritchard
